ABOUT THE UNIVERSITY

SRM is a part of 38 years old SRM Group of Educational Institutions. The Faculty of Engineering and Technology now encompasses all disciplines of Technical Education. The Institute has excellent infrastructural facilities including modern laboratory facilities, internet facilities, Library and other general amenities.

LOCATION

The SRM University, Ramapuram Campus is situated at Ramapuram near Guindy – Porur Main Road. The college is well connected by roads from Chennai – Bangalore Highway.

ABOUT THE DEPARTMENT

The Department of Civil Engineering was established in the year 2009. The department offers 4 year UG Programme in B-Tech Civil Engineering and 2 year PG Programme in M.Tech Structural Engineering. The department is aiming at the development of student community to face the future world with the latest technical knowledge through research, good leadership qualities, industry-institution interaction and spirit of competence. The department is equipped with faculty members imparting high quality of discipline and engineering education.

ABOUT THE CONFERENCE

This Conference aims to provide an outstanding opportunity for both academic and industrial communities alike to address new trends and challenges and emerging technologies on topics relevant to today’s fast moving areas of Civil Engineering. The conference will feature invited talks and referred paper presentations. The vision of this National Conference is to serve as a platform for interaction among researchers and practitioners working in a wide variety of areas in Civil Engineering with a common interest.
